September 3, 2016
Because of the unexpected news last Friday, I forgot to post the number of ads and my observation for the past few days sa ad tracking. I was suppose to comment that there were new product endorsement added last friday compared to the regular advertisements every day.

Like pediasure ning friday but nawala din ang St Peter. And now naman ang optein. Oh well, kahit ano pa, last 2 weeks na lang talaga.

54 ads last friday btw. 53 if you take out kulafu (might have cut the bfy ad to give way to this)

Yup! Wiser to invest not this week. #DTBYPagIwas

It’s due to Holy Week. Most people are in vacation mode.

@AldubThoughts that’s normal daw lalo na pag holy week, konti lang talaga ang mga ad

placements so,let’s not fret abot it

The trend is the same in other GMA programs. Maraming pina-plug na mga programs. Holy Week kasi. #DTBYPagIwas #ALDUBxDTBYKSsaCA

Obviously, because it’s Holy Week. Ganyan naman ata talaga. #DTBYPagIwas

@aldubmaiden most advertisers stop advertising during Holy Week #ALDUBxDTBYKSsaCA #DTBYPagIwas

@aldubmaiden that’s because most people are going out of town for the holidays #ALDUBxDTBYKSsaCA #DTBYPagIwas

@aldubmaiden advertisers resume advertising on Easter Sunday #ALDUBxDTBYKSsaCA #DTBYPagIwas

Posting this for @**urmyflashlight** We have a lower number of tvcs tonight as expected due to the Holy Week #DTBYPaghaharap
